The Annual Meeting will be held at the **Holiday Inn, 590 Argus Road, Oakville, ON L6J 3J3 Canada, on December 6, 2016, at 10:00 am EST**. The purposes of the Annual Meeting are:

1. To receive the audited consolidated financial statements of the Company of and for the fiscal year ended November 30, 2015.
2. To elect five (5) directors of the Company (each a "Director" and collectively, the "Directors") to serve until the close of the 2017 Annual Meeting of Stockholders.
3. To ratify the appointment of Schwartz, Levitsky, Feldman, LLP as independent registered public accountant (the "auditors") for the Company to hold office until the close of the 2017 Annual Meeting of Shareholders and to authorize the Company's Board of Directors to fix the auditors' remuneration;
4. To approve the consulting agreement between the Company and Northeast Industrial Partners LLP; and
5. To transact such other business as may properly come before the meeting or any adjournments or postponements thereof.

The Board of Directors has fixed November 1, 2016 as the record date for the Annual Meeting. Only stockholders of the Company of record at the close of business on that date will be entitled to notice of, and to vote at, the Annual Meeting. A list of stockholders as of November 1, 2016 will be available for inspection by any stockholder at our principal place of business, 300-125 Lakeshore Road East, Oakville, Ontario L6J 1H3 Canada, starting December 1, 2016, during normal business hours, and at the Annual Meeting.

Accompanying this notice of meeting is the management information circular (the "Circular"). Please review the Circular carefully and in full prior to voting in relation to the matters set out above as the Circular has been prepared to help you make an informed decision on such matters.

Shareholders are invited to attend the Annual Meeting. Record shareholders who are unable to attend the Annual Meeting in person are requested to vote by mail by completing, dating and signing the enclosed form of proxy (the "Proxy Card") and send it in the enclosed envelope to the Company's co-transfer agent, TSX Trust Company*, 200 University Avenue, Suite 300, Toronto, Ontario M5H 4H1, or vote via the Internet, by going to www.voteproxyonline.com and following the instructions on the website, or by fax to Proxy Department 416-595-9593. Non-record shareholders who receive these materials through their broker or other intermediary should follow the instructions provided by their broker or intermediary.

**Note: TSX Trust Company is operating the transfer agency and corporate trust business in the name of Equity Financial Trust Company for a transition period.*

For your vote to be effective, your voting instructions must be received by Broadridge Financial Solutions, Inc. The Chair of the Annual Meeting may, at his discretion, accept late proxies or waive the time limit for deposit of proxies, but is under no obligation to accept or reject any late proxy. If you have voted by proxy using the Proxy Card, via fax or the Internet or by phone, any subsequent vote by proxy through any of these methods will cancel any other proxy you may have previously submitted in connection with the Annual Meeting, and only a later dated proxy received prior to the deadline will be counted.

IMPORTANT

Whether or not you expect to attend the Annual Meeting, please sign and return the enclosed proxy promptly. If you decide to attend the Annual Meeting, you may, if you wish, revoke the proxy and vote your shares of common stock in person.

Proxy Statement

ANNUAL AND SPECIAL MEETING OF STOCKHOLDERS
TO BE HELD ON SEPTEMBER 16, 2015

Unless the context requires otherwise, references in this proxy statement to “SDI,” the “Company,” “we,” “us,” or “our” refer to Security Devices International Inc.

The Annual and Special Meeting of Stockholders (the “Annual Meeting”) will be held at the **Holiday Inn, 590 Argus Road, Oakville, ON L6J 3J3 Canada, on December 6, 2016, at 10:00am EST**. We are providing the enclosed proxy materials and form of proxy in connection with the solicitation by our Board of Directors (the “Board”) of proxies for this Annual Meeting. This proxy statement (the “Proxy Statement”) will first be mailed to holders of our voting stock on or about November X, 2016.

Whether or not you plan to attend the Annual Meeting, please promptly provide your voting instructions. Your promptness in voting will assist in the expeditious and orderly processing of the proxies and in ensuring that a quorum is present. If you vote your proxy, you may nevertheless attend the Annual Meeting and vote your shares in person if you wish. Please note, however, that if your shares are held of record by a broker or other nominee and you wish to vote in person at the Meeting, you must follow the instructions provided to you by your broker or such other nominee. If you want to revoke your instructions at a later time prior to the vote for any reason, you may do so in the manner described in this Proxy Statement.

QUESTIONS AND ANSWERS ABOUT PROXY MATERIALS AND VOTING

Why am I receiving this Proxy Statement and proxy card?

You are receiving this Proxy Statement and proxy card because you were a stockholder of record at the close of business on November 1, 2016, and are entitled to vote at the Annual Meeting. This Proxy Statement describes issues on which we would like you, as a stockholder, to vote. It provides information on these issues so that you can make an informed decision. You do not need to attend the Annual Meeting to vote your shares of common stock.

When you sign the proxy card you appoint Dean Thrasher, our Chief Executive Officer, and if Mr. Thrasher is unavailable, Rakesh Malhotra, our Chief Financial Officer, as your representative at the Annual Meeting. As your representatives, they will vote your shares of common stock at the Annual Meeting (or any adjournments or postponements) as you have instructed them on your proxy card. With proxy voting, your shares will be voted whether or not you attend the Annual Meeting. Even if you plan to attend the Annual Meeting, it is a good idea to complete, sign and return your proxy card in advance of the Annual Meeting, just in case your plans change.

If an issue comes up for vote at the Annual Meeting (or any adjournments or postponements) that is not described in this Proxy Statement, your representative will vote your shares of common stock, under your proxy, at their discretion, subject to any limitations imposed by law.

When is the record date?

The Board has fixed November 1, 2016, as the record date for the Annual Meeting. Only holders of shares of our voting stock as of the close of business on that date will be entitled to vote at the Annual Meeting.

How many shares are outstanding?

As of November 1, 2016, we had 55,104,493 shares of common stock issued and outstanding.

What am I voting on?

You are being asked to vote on the following:

1. the election of five (5) Directors to serve until the close of the 2017 Annual Meeting of Stockholders (“Proposal No. 1”);
2. the ratification of the appointment of Schwartz, Levitsky, Feldman, LLP (“SLF”) as auditors for the Company to hold office until the close of the 2017 Annual Meeting of Shareholders and to authorization of the Company’s Board of Directors to fix the auditors’ remuneration (“Proposal No. 2”); and
3. the approval of a consulting agreement between the Company and Northeast Industrial Partners LLP (“Proposal No. 3”).

The Board recommends that you vote FOR: (i) the election of the five (5) Director nominees proposed by the Board in this Proxy Statement (ii) the appointment of SLF as our auditors and the authorization of the Board to fix the auditors’ remuneration; and (iii) the approval of the consulting agreement between the Company and Northeast Industrial Partners LLP, a copy of which is annexed hereto as Exhibit A (referred to herein as the “Northeast Consulting Agreement”).

In addition, you may be asked to vote in respect of any other matters that may properly be brought before the Meeting. As of the date of this Proxy Statement, the Board is not aware of any such other matters.

How many votes do I get?

Each share of common stock is entitled to one vote. No cumulative rights are authorized and dissenters’ rights are not applicable to any of the matters being voted upon.

How do I vote?

The voting process is different depending on whether you are a record (registered) or non-record shareholder.

- You are a record shareholder if your name appears on your share certificate.
- You are a non-record shareholder if your shares are held on your behalf by a bank, trust company, securities broker, trustee or other intermediary. This means the shares are registered in your intermediary’s name, and you are the beneficial owner. Most shareholders are non-record shareholders.

If you are a non-record shareholder, your intermediary will send you a voting instruction form or proxy form with this Proxy Statement. This form will instruct the intermediary how to vote your shares at the Meeting on your behalf. You should carefully follow the instructions provided by the intermediary and contact the intermediary promptly if you need help. The Company intends to pay for delivery of proxy materials to beneficial owners.

If you do not intend to attend the Meeting and vote in person, mark your voting instructions on the voting instruction form or proxy form, sign it, and return it as instructed by your intermediary. Your intermediary may have also provided you with the option of voting by telephone or fax or through the Internet.

If you wish to vote in person at the Meeting, follow the instructions provided by your intermediary. Your intermediary may have also provided you with the option of appointing yourself or someone else to attend and vote on your behalf at the Meeting through the Internet. When you arrive at the Meeting, please register with the Inspector of Elections.

Your intermediary must receive your voting instructions in sufficient time for your intermediary to act on them prior to the deadline for the deposit of proxies of 10:00 a.m. (Eastern Daylight Time) on December 2, 2016, or at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the scheduled Meeting.

Record shareholders

If you are a record shareholder, a Proxy Card is enclosed with this Proxy Statement to enable you to vote, or to appoint a proxyholder to vote on your behalf, at the Meeting. Whether or not you plan to attend the Meeting, you may vote your shares by proxy by any one of the following methods:

By mail: Mark, sign and date your Proxy Card and send to TSX Trust Company (“TSX Equity”), 200 University Avenue, Suite 300, Toronto, Ontario M5H 4H1. TSX Equity must receive your Proxy Card not later than 10:00 a.m. (Eastern Daylight Time) on December 2, 2016 in order for your vote to be counted. If the Meeting is adjourned or postponed, TSX Equity must receive your Proxy Card at least 48 hours, excluding Saturdays, Sundays and holidays, before the rescheduled Meeting.

By Facsimile: Fax your Proxy Card to the attention of the Proxy Department 416-595-9593.

Via the Internet: Go to www.voteproxyonline.com and follow the instructions on the website prior to 10:00 a.m. (Eastern Daylight Time) on December 2, 2016.

We provide Internet proxy voting to allow you to vote your common stock online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Can stockholders vote in person at the Annual Meeting?

We will pass out written ballots to anyone who wants to vote at the Annual Meeting. If you hold your shares of common stock through a brokerage account but do not have a physical share certificate, or the shares are registered in someone else’s name, you must request a legal proxy from your stockbroker or the registered owner to vote at the Annual Meeting.

What if I change my mind after I return my proxy?

If you are a non-registered Shareholder, you can revoke your prior voting instructions by providing new instructions on a voting instruction form or proxy form with a later date, or at a later time in the case of voting by telephone or through the Internet. Otherwise, contact your Intermediary if you want to revoke your proxy or change your voting instructions, or if you change your mind and want to vote in person. Any new voting instructions given to intermediaries in connection with the revocation with proxies must be received in sufficient time to allow intermediaries to act on such instructions prior to the deadline for the deposit of proxies of 10:00 a.m. (Eastern Daylight Time) December 2, 2016, or at least 48 hours (excluding Saturdays, Sundays and holidays) prior to the time of the rescheduled Meeting.

If you are a record shareholder, you may revoke any proxy that you have given until the time of the Meeting by voting again over the Internet as instructed above, by signing and dating a new Proxy Card and submitting it as instructed above, by giving written notice of such revocation to the Corporate Secretary of the Company at our address, by revoking it in person at the Annual Meeting, or by voting by ballot at the Annual Meeting. If you choose to submit a proxy multiple times whether by over the Internet or by mail, or a combination thereof, only your latest vote, not revoked and received prior to 10:00 a.m. (Eastern Daylight Time) on December 2, 2016 (or 48 hours, excluding Saturdays, Sundays and holidays, before the rescheduled Meeting) will be counted. A record shareholder participating in person, in a vote by ballot at the Meeting, will automatically revoke any proxy previously given by that shareholder regarding business considered by that vote. However, attendance at the Annual Meeting by a registered shareholder who has voted by proxy does not alone revoke such proxy.

How many votes do you need to hold the Annual Meeting?

To conduct the Annual Meeting, we must have a quorum, which means that one-third of our outstanding voting shares as of the record date must be present at the Annual Meeting. Based on 55,104,493 shares of common stock issued and outstanding as of the Record Date, 2016, 18,368,164 shares of common stock must be present, in person or by proxy, for a quorum to be present at the Annual Meeting.

What if I abstain from voting?

Abstentions with respect to a proposal are counted for the purposes of establishing a quorum. If a quorum is present, abstentions will not be included in vote totals.

Since our bylaws provide that approval of a proposal at an Annual Meeting of the stockholders is by the affirmative vote of a majority of the voting shares present, in person or by proxy, at an Annual Meeting of the stockholders, a properly executed proxy card marked *ABSTAIN* with respect to a proposal will have the same effect as voting *AGAINST* that proposal. However, as described below, election of Directors is by a plurality of the votes cast at the Annual Meeting. A properly executed proxy card marked *WITHHELD* with respect to the election of Directors will not be voted and will not count *FOR* any of the Nominees for which the vote was withheld.

What effect does a broker non-vote have?

Brokers and other intermediaries, holding shares of common stock in street name for their customers, are generally required to vote the shares of common stock in the manner directed by their customers. If their customers do not give any direction, brokers may vote the shares of common stock on routine matters, but not on non-routine matters (a “broker non-vote”). Proposal No. 1 and Proposal No. 3 are non-routine matters. Accordingly, if you have not provided your broker with voting directions on these proposal, your broker will not be able to vote your shares with respect to the election of directors or approval of the Northeast Consulting Agreement. Proposal No. 2, the ratification of the appointment of Schwartz Levitsky Feldman LLP as the Company’s independent registered public accounting firm is considered a routine matter, and brokers will be able to vote your shares if you have not provided voting directions with respect to Proposal No. 2.

Any shares of common stock represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) will have no impact in the election of Directors except to the extent that the failure to vote for an individual results in another individual receiving a larger proportion of votes cast. Any shares of common stock represented at the Annual Meeting but not voted (whether by abstention, broker non-vote or otherwise) with respect to Proposal No. 2 and Proposal No. 3 will have the same effect as a vote against such proposal. **In recognition of our desire to have every stockholder vote count, we encourage our stockholders to instruct their brokers to vote their shares.**

How many votes are needed to elect Directors and approve other proposals?

Proposal No. 1: The Nominees for election as Directors at the Annual Meeting will be elected by a plurality of the votes cast at the Annual Meeting. The Nominees with the most votes will be elected. A properly executed proxy card marked *WITHHELD* with respect to the election of Directors will not be voted and will not count *FOR* or *AGAINST* any of the Nominees.

Proposal No. 2: The ratification of the appointment of the independent registered public accountant will be approved if a majority of the voting shares present at the Annual Meeting vote *FOR* the proposal. A properly executed proxy card marked *ABSTAIN* with respect to this proposal will have the same effect as a vote cast *AGAINST* this proposal.

Proposal No. 3: The approval of the consulting agreement between the Company and Northeast Industrial Partners LLP will be approved if a majority of the voting shares present at the Annual Meeting vote *FOR* the proposal. A properly executed proxy card marked *ABSTAIN* with respect to this proposal will have the same effect as a vote *AGAINST* this proposal. A copy of the consulting agreement is annexed hereto as Exhibit A.

Will my shares of common stock be voted if I do not sign and return my Proxy Card?

If your shares of common stock are held through a brokerage account, your brokerage firm, under certain circumstances, may vote your shares of common stock. See “What effect does a broker non-vote have?” above for a discussion of the matters on which your brokerage firm may vote your shares of common stock.

If your shares of common stock are registered in your name, and you do not sign and return your proxy card, your shares of common stock will not be voted at the Annual Meeting, unless you attend the Annual Meeting and vote your shares of common stock.

How are votes counted?

Your shares of common stock will be voted as you indicate on your proxy card. **If you just sign your proxy card with no further instructions, your shares of common stock will be voted (a) FOR each nominee for election to the Board for terms expiring in 2016 (b) FOR Proposal No. 2. and (c) FOR Proposal No. 3.**

Voting results will be tabulated and certified by the Inspector of Elections.

Where can I find the voting results of the Annual Meeting?

We will publish the final results in a current report filing on Form 8-K with the United States Securities and Exchange Commission (the "SEC") within four (4) business days of the Annual Meeting.

Who will pay for the costs of soliciting proxies?

We will bear the cost of soliciting proxies. In an effort to have as large a representation at the Annual Meeting as possible, our directors, officers and employees may solicit proxies by telephone or in person in certain circumstances. These individuals will receive no additional compensation for their services other than their regular salaries. Additionally, we may hire a proxy solicitor to help reach the quorum requirement. We will pay a reasonable fee in relation to these services. Upon request, we will reimburse brokers, dealers, banks, voting trustees and their nominees who are holders of record of our common stock on the record date for the reasonable expenses incurred for mailing copies of the proxy materials to the beneficial owners of such shares.

When are stockholder proposals due for the 2017 Annual Meeting of Stockholders?

In order to be considered for inclusion in the 2017 proxy statement, stockholder proposals must be submitted in writing to our Secretary, Dean Thrasher, at Security Devices International Inc., 300-125 Lakeshore Road East, Oakville, ON L6J 1H3 Canada, and received no later than October 2, 2017, provided that this date may be changed in the event that the date of the annual meeting of stockholders to be held in calendar year 2017 is changed by more than 30 days from the date of this Annual Meeting.

Are there any proposals currently anticipated for the 2017 Annual Meeting of Stockholders?

There are no proposals currently anticipated for the 2017 Annual Meeting of Stockholders.

How can I obtain a copy of the Annual Report on Form 10-K or our Audited Financial Statements?

Our Audited Financial Statements are included in our Annual Report on Form 10-K and our other periodic and current reports are available on the Company's website <http://securitydii.com> and on the SEC's website at <http://www.sec.gov>. **At the written request of any stockholder who owns shares of common stock as of the Record Date, we will provide to such stockholder, without charge, a paper copy of our Financial Statements as filed with the SEC, but not including exhibits.** If requested, we will provide copies of the exhibits for a reasonable fee. Requests for additional paper copies of the Financial Statements should be mailed to: 25 Sawyer Passway, Fitchburg, MA, USA 01420 Attention: Teresa Foster, Office Manager.

("GPX") In 2007 Titan Tire & Wheel and Bridgestone Tire filed an anti-dumping and countervailing duty suit against GPX.. Although GPX was ultimately successful in the Federal District Court and Federal Appeals Court in overturning the decision of the Court, International Trade (CIT) (in a unanimous decision in December of 2011), it was too late as the company had been forced to file for bankruptcy protection when its lender group called the loan at the time the CIT decision was originally rendered in mid-2009.

Other Governance Matters

The Role of the Board in Risk Oversight

The understanding, identification and management of risk are essential elements for the successful management of the Company.

Risk oversight begins with the Board and the Audit Committee. The Audit Committee is chaired by Karim Kanji, and two of three directors are independent that sit on the Audit Committee.

The Audit Committee reviews and discusses policies with respect to risk assessment and risk management. The Audit Committee also has oversight responsibility with respect to the integrity of our financial reporting process and systems of internal control regarding finance and accounting, as well as our financial statements.

At the management level, an internal audit provides reliable and timely information to the Board and management regarding our effectiveness in identifying and appropriately controlling risks.

We also have a comprehensive internal risk framework, which facilitates performance of risk oversight by the Board and the Audit Committee. Our risk management framework is designed to:

- Provide that risks are identified, monitored, reported, and priced properly;
- Define and communicate the types and amount of risk the Company is willing to take; and
- Promote a strong risk management culture that encourages a focus on risk-adjusted performance.

Code of Ethics

The Board has adopted a written code of business conduct and ethics (the “Code of Ethics”) for our Directors, officers and employees that sets out the Board’s expectations for the conduct of such persons in their dealings on behalf of the Company. Employees, officers and Directors are required to maintain an understanding of, and ensure that they comply with, the Code of Ethics.

Employees, officers and Directors are required to report violations of the Code of Ethics to the Chief Executive Officer or the Chair of the Board. The Board is not aware of any breach of the Code of Ethics by any Director or officer during the period since its adoption on January 14, 2015.

Overview of the Company's Stock Option Plan

Effective May 31, 2013, the Company adopted its incentive stock option plan (the "Stock Option Plan"), which replaced the prior stock option and stock bonus plans, as ratified by the Company's shareholders at the Company's 2015 Annual Meeting of Shareholders. As a result, all outstanding options to purchase common stock granted by the Company under the prior plans are now governed by the Stock Option Plan and the Company's prior plans (an Incentive Stock Option Plan, a Non-Qualified Stock Option Plan, and a Stock Bonus Plan) have been terminated.

We have not granted any options which are subject to ratification by stockholders. The table below shows securities issued under our Stock Option Plan as of November 30, 2015.

	Number of securities to be issued upon exercise of outstanding options, warrants, and rights (a)	Weighted-average exercise price of outstanding options, warrants and rights	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))
Equity compensation plans approved by security holders⁽¹⁾	7,244,000	\$0.28	2,135,857
Equity compensation plans not approved by security holders	--		--
TOTAL	7,244,000	\$0.28	--

(1) As a condition precedent to the TSXV issuing its final acceptance of listing of the common stock on the TSXV, all of the warrants previously issued by the Company as payment for services (the “*Compensation Warrants*”), being warrants to purchase 4,212,045 shares of common stock, were counted as if they had been issued under the Stock Option Plan, thereby reducing the number of options which may otherwise be granted. As at November 1, 2016 there were 1,760,857 warrants to purchase common stock still outstanding.

Who is eligible to participate in the Company’s Stock Option Plan?

Any employee, officer, director, consultant, independent contractor, or director of or providing services to us or any parent, affiliate, or subsidiary of us is eligible to be designated a participant in the Stock Option Plan.

PROPOSAL 3 — APPROVAL OF THE NORTHEAST CONSULTING AGREEMENT

In June, 2016, the Company entered into a consulting agreement (the “Northeast Consulting Agreement”) with Northeast Industrial Partners LLP (“Northeast”), commencing as of May 15, 2016. Under the Northeast Consulting Agreement, Northeast agreed to assist the Company with sales and marketing, expansion of the Company’s product range, review of operations, implementation of cost control measures, development of strategic alliances and financial oversight for a one-year term. **A copy of the Northeast Consulting Agreement is attached hereto as Exhibit A.**

For Northeast’s services, the Company agreed to issue Northeast a consulting fee (the “Consulting Fee”) of equal to shares of the Company’s common stock that equal USD\$200,000 and payable in four quarterly installments of USD\$50,000 due on each of August 15, 2016, November 15, 2016, February 15, 2017 and May 15, 2017. The stock is to be priced at the volume weighted average trading price per common share over the 20 day period preceding each of these due dates, provided that the price per share may not be lower than the greater of CAD\$0.05 and the Discounted Market Price (as that term is defined in the policies of the TSX Venture Exchange.). The stock is to vest at the end of the contract with Northeast.

Northeast is controlled and headed up by Mr. Bryan Ganz, who was appointed to the Company’s Board of Directors in July, 2016. Mr. Ganz has more than 30 years of experience in sales management, manufacturing, new product design and development and mergers and acquisitions.

The first quarterly installment of the Consulting Fee was due on August 15, 2016 and the common stock was issued in September 2016. 488,851 common shares was issued at a price of \$0.1322 per share, being the volume weighted average trading price per common share over the 20 day period preceding August 15, 2016.

The issuance of the Company’s common stock to Northeast under the Consulting Agreement was subject to the approval of the TSX Venture Exchange (the “Exchange”). The Exchange approved the issuance of the August, 2016 installment of common stock under the Consulting Agreement. However, the Exchange made its approval of subsequent issuances of common stock conditional upon disinterested shareholder approval. The reason for this requirement was that (i) Northeast became an insider of the Company upon Mr. Ganz’ appointment to the board of directors, and (ii) the Exchange has a policy of requiring disinterested shareholder approval if the issuance of shares will constitute an issuance to an insider of greater than 1% of the issued and outstanding shares during a twelve month period.

At the Annual Meeting, disinterested shareholders will be asked to approve the Consulting Agreement by ordinary resolution. If the Consulting Agreement is not approved, the Company will be forced to renegotiate the Consulting Contract, however Northeast will be entitled to retain the shares of Company stock issued to in August 2016.

In order to obtain disinterested shareholder approval, neither Northeast nor any of its affiliates or associates may vote on the resolution concerning the Consulting Contract. To the knowledge of the Company, Northeast and its associates and affiliates own 488,851 common shares of the Company, being the shares issued under the August, 2016 installment of the Consulting Agreement.

THE BOARD OF DIRECTORS OF THE COMPANY RECOMMENDS THAT SHAREHOLDERS VOTE TO APPROVE THE CONSULTING CONTRACT.

The text of the resolution which management intends to place before the Annual Meeting for approval is as follows:

“BE IT RESOLVED THAT the consulting agreement between the Company and Northeast Industrial Partners LLP, executed by the Company on June 15, 2016 and with an effective date of May 15, 2016, is hereby approved.”

OTHER MATTERS

As of the date of this Proxy Statement, management does not know of any other matter that will come before the Annual Meeting.

Att : Dean Thrasher, Chief Operating Officer

Dear Dean:

With this agreement Northeast Industrial Partners (NEIP) accepts a consulting assignment with SDI for a period of twelve months starting May 1, 2016 and running through April 30, 2017. The purpose of this consulting assignment will be to assist SDI in jump starting sales, reducing both product costs and operating costs, helping the Board put together a strong management team that can take the company to the next level and assisting the company in developing strategic alliances that can support the company both operationally and financially in order to put SDI on sound financial footing.

You have agreed that any assistance we provide to the company does not give rise to a lawyer-client relationship and that you have retained your own legal counsel to advise you on any legal matters that may arise as a result of NEIP's efforts.

55725034 v2

Similarly, NEIP is not acting as a broker-dealer nor are we giving any advice on the sale of securities. Rather, our role is limited to providing assistance to the company in the following areas:

Financial Review and Overhead Reduction Recommendations - NEIP will review the financial results of SDI in detail and provide the Board with an overview of operations with a specific emphasis on identifying risks that need to be addressed. In addition NEIP will provide specific recommendations for the reduction or elimination of operating overhead through the elimination of unnecessary expenses and redundant personnel.

NEIP will assist SDI in creating an operating budget. On a monthly basis, NEIP will review the financial results and provide management with constructive feedback regarding the financial performance of the company including performance to budget and identify areas for improvement.

Personnel Evaluation and Management Structure - NEIP will review personnel and provide its assessment to the Board along with its recommendation for each member of the management team. In the event new team members are needed to be recruited, NEIP will head up the process and provide the Board with a slate of pre-reviewed candidates for their consideration.

Sales & Marketing - NEIP will review the sales and marketing program and will provide management with specific recommendations for increasing sales. These recommendations may include sales promotions, targeted sales efforts, joint venture sales efforts, spiffs, blitzes and price re-alignments. In addition, NEIP will review the sales approach and make suggestions where appropriate for improving SDI's sales process. NEIP will make itself available to meet with large potential customers, particularly international customers, where NEIP can help close the sale. Finally, NEIP will use its own contacts in the military and law enforcement to create opportunities for additional business.

NEIP will start compiling industry data and including data on the size of the market, the size and price point of our competitors and the customer base for non-lethal (less-lethal) products.

Product Augmentation and Re-alignment - NEIP will review the current product line and make recommendations for augmentation and re-alignment. NEIP will then assist SDI in identifying sources for the products it does not currently have. These sources may be acquisition candidates, joint venture partners or third party manufacturers. NEIP will also work with NEIP to help the company reduce its product acquisition costs.

Strategic Alliances - NEIP will help SDI identify potential strategic partners that can assist SDI with access to markets and potentially providing operating capital. Once identified, NEIP will assist management in negotiating any agreement and will assist management's auditors in the due diligence process which may include creating historical and pro form financial statements showing the potential synergies that could be created in the event the envisioned transaction is

an acquisition and / or merger. In the event an acquisition target is identified, NEIP will help SDI create a pitch book including combined pro forma financials that outlines the opportunity and highlights the synergies and advantages of bringing the two companies together.

Identify Sources of Capital - NEIP will help SDI identify sources of debt or equity capital to help it bridge to that point in time when the company is cash flow positive. NEIP will assist the company in putting together financial projections which can be used to present the company to potential investors.

Fee Structure

For services rendered by NEIP under this agreement, SDI will pay NEIP \$250,000 USD. Of this amount, \$50,000 shall be in cash and \$200,000 shall be in stock of SDI. The payments shall be due as follows:

- First \$25,000 in cash shall be due May 1, 2016
- Second \$25,000 in cash shall be due July 1, 2016
- First \$50,000 in stock shall be due August 15, 2016
- Second \$50,000 in stock shall be due November 15, 2016
- Third \$50,000 in stock shall be due February 15, 2017
- Fourth \$50,000 in stock shall be due May 15, 2017.

The payments in stock are subject to the approval of the TSX Venture Exchange inc. (the "Stock Exchange"). The number of shares of stock issued on a due date shall be calculated by dividing (i) the amount which is due, by (ii) the volume weighted average trading price per SDI common share on the Stock Exchange for the 20 day period preceding the due date (calculated by dividing the aggregate trading price of all common shares sold on the Stock Exchange during the period by the aggregate number of common shares sold on the Stock Exchange during the period). If the volume weighted average trading price is less than the minimum price permitted by the Stock Exchange, the price per common share used in the calculation shall be increased to the minimum amount permitted by the Stock Exchange.

Certificates representing the stock issued to NEIP under this agreement shall be held by SDI until the final installment of stock is due, at which time the certificates will be released to NEIP. Certificates will be issued as soon as reasonably possible after each due date, having regard to the requirement for filings and approvals from the Stock Exchange and the requirements of the SDI transfer agent.

In addition to any hold period and legending requirements under applicable United States federal and state law, the stock issued under this agreement may be subject to legending requirements and a four month hold period under Stock Exchange rules.

Board Seat

In the interim, prior to SDI's 2016 Annual General Meeting, Bryan Ganz will be appointed to the board of directors of SDI. Thereafter during the term of this agreement, SDI will nominate Bryan Ganz for re-election to the board. NEIP acknowledges that Bryan Ganz must be

acceptable to the Stock Exchange and that he will resign as a director if his appointment is not acceptable to the Stock Exchange. In the event that Bryan Ganz is not acceptable to the Stock Exchange, NEIP shall have the right to substitute an alternate director that is acceptable to the board of directors of SDI.

Reasonable and Ordinary Expenses

NEIP will be reimbursed for all reasonable and ordinary expenses incurred in the due course of providing its services under this agreement. In the event that NEIP proposes to travel in the course of performing services hereunder, those travel related expenses shall be approved in advance by SDI. The engagement of consultants or experts by NEIP also shall be subject to the prior approval of SDI. NEIP will provide receipts and explanations on a timely basis to SDI and SDI agrees to process such payments as part of its normal payables procedures but in no case more than 30 days from receipt.

Company Cooperation

SDI shall provide NEIP its full cooperation including access to all pertinent information relating to both its historic financial and operating results as well as its projected financial and operating results. Additionally, SDI will share with NEIP any information in its possession relating to any proposed target company and will promptly advise NEIP if it learns of any material changes of that information, held. In conjunction with providing this information, SDI shall provide access to management personnel and staff as appropriate to answer questions and assist NEIP in performing its duties.

SDI represents to NEIP that SDI will not knowingly (i) provide any information to NEIP which contains any misstatement or untrue statements of a material fact or (ii) omit to state any and all material facts necessary to make the statements not false or misleading in light of the circumstances in which they were made. SDI will continue to inform NEIP of any material developments or matters that occur or come to the attention of SDI, its shareholders, directors, officers, members, employees or affiliates. In performing its services hereunder, NEIP shall be entitled to rely, without investigation, upon all information that is available from public sources as well as all other information supplied to it, by or on behalf of SDI or its advisors, and shall not be responsible for the accuracy or completeness of, or have any obligation to verify, the same or to conduct any appraisal of SDI's assets.

NEIP represents to SDI that NEIP's provision of information and representations to potential investors or financing parties (written and oral) shall be consistent with the information provided by SDI and shall not contain material misstatements, omissions or deviations from such information provided by SDI.

Access to Company Materials

SDI shall provide NEIP access to documents, company data and other information and/or materials as may be necessary for NEIP to perform its duties. NEIP shall use such materials only for the purpose of this engagement and shall return all materials to SDI at the conclusion of the engagement.

NEIP acknowledges that it has executed a non-disclosure agreement dated May 2, 2016 in favour of SDI and that this non-disclosure agreement continues in effect and is binding on NEIP and its officers, directors and employees with respect to information received under this agreement.

Advice about Possible Outcomes

Either at the commencement of this engagement or during the course of our work, we may express opinions or beliefs regarding various matters or courses of action and the results that might be anticipated. Any such statement made by any representative of NEIP is intended to be an expression of an opinion only, based on information available to us at the time and should not be construed by you as a promise or guarantee.

SDI should consult with its own advisors concerning legal, tax, accounting or regulatory matters related to SDI and is responsible for making its own independent investigation and appraisal of the transactions contemplated by this agreement, and, except as otherwise provided herein, NEIP has no responsibility or liability to SDI or its creditors or security holders with respect to such matters.

Limitation of Liability

NEIP and SDI have discussed the risks and rewards associated with this agreement as well as the fee for services and agree to allocate certain of the risks so that to the fullest extent permitted by law, the total aggregate liability of NEIP and its officers, directors, shareholders, managers and employees to SDI and all third parties for all claims whatsoever related to the deliverables and services provided hereunder including any cause of action in contract, tort or strict liability shall not exceed the total amount of the fees actually paid to NEIP by SDI as set forth in this agreement. In no event shall NEIP be liable for any lost profits, incidental, exemplary, punitive or consequential damages.

Indemnification

SDI shall indemnify and hold harmless NEIP and its directors, officers, agents, consultants, employees, members and controlling persons (each an "NEIP Indemnified Person") from and

against all losses, claims, damages or liabilities, including punitive damages, arising out of all actions, claims, proceedings and investigations made by third parties against NEIP and relating to the services provided by NEIP pursuant to this engagement and to reimburse each NEIP Indemnified Person for all reasonable legal and other out-of-pocket expenses as incurred by each NEIP Indemnified Person in connection with investigating, preparing against or defending any such action, claim, proceeding or investigation. Such legal expenses will specifically include those incurred by NEIP in any action between NEIP and SDI relating to this paragraph, provided that such action is finally adjudicated in favor of NEIP. SDI shall not be so liable under this paragraph to the extent that any such loss, claim, damage or liability is finally judicially determined to have resulted primarily and directly from the gross negligence or willful misconduct of any NEIP Indemnified Person.

In rendering such services, NEIP will act as an independent contractor, and NEIP owes duties arising out of this engagement solely to SDI and not to any other person, including SDI's creditors or security holders. SDI acknowledges that nothing in this agreement is intended to create duties to SDI beyond those expressly provided for in this agreement, and NEIP specifically disclaims the creation of any fiduciary relationships between, or the imposition of any fiduciary duties on, either party.
